Tips and Other Job Hunting Support

- The Office of Career Services at The College of William & Mary
  This site provides a large list of career field-specific databases and lets you search for jobs by region.
  http://www.wm.edu/career/04/StudentIndex.cfm
- Spherion Jobs
  This is a multifaceted web site, containing a wide variety of job search information and tools. In addition to allowing job searches by title, salary, experience and geographic region, you can submit your resume to their database. You'll also find job tools such as tips for interviewing and resume creation, salary guides and calculators, and links to numerous other career sites on the web.
