Skateboarding Policy

I. Purpose

The purpose of this policy is to allow for the safe use of skateboards while protecting the skateboarder, pedestrians, drivers of motor vehicles, and university property. Skateboarding is a legitimate means of transportation for students and provides healthy exercise for the skateboarder.

II. Rules and Regulations

A. Skateboarding as a means of transportation on campus is allowed. The skateboarder must use due regard for the safety of other persons to include pedestrians and drivers of other vehicles.

B. Pedestrians have the right of way on all sidewalks and pathways commonly used for pedestrian traffic.

C. Skateboarders must follow all traffic control devices.

D. Skateboarding inside any university building is prohibited.

E. Reckless use of skateboards on campus is prohibited. This is to include stunts and tricks that can result in damage to property, injury to persons or interference with pedestrian or vehicle traffic. This may include but is not limited to darting out into motor vehicle traffic, jumping down stairs, sliding down railings, or launching off of ramps.
